

Heartbreak 2007 was back to its usual self... Hot, Hot, Hot!!! 69 double century riders and 290 century riders (our largest combined field ever) challenged themselves with the heat and the hills, and enjoyed some of the most scenic, quiet and beautiful roads in Southern California. Epic steep and prolonged climbs, breathtaking views, quiet roads, and long, rewarding descents, are what makes this course one of the best in California.

Congratulations to the following eleven riders who earned their **Planet Ultra Grand Slam**, and received a very cool, special edition Grand Slam coffee mug, by completing the Heartbreak Double Century: Linda Bott, Mel Cutler, Kerin Huber, Francis Ignacio, Rick Jacobson, Tony Martinez, Doug Patterson, Greg Paxson, Renee Smith, Bernd Straehle and George Vargas

Our hats off to the twelve double riders who also earned official finisher status of the **Planet Ultra King of the Mountains Century Challenge**, and received the exclusive finisher polka-dot socks: Colt Albrecht, Keith Brodsky (the over-all Mens KOM Winner!), Michael Currie, Ken Emerson, Francis Ignacio, Doug Patterson, Mario Ramirez, Gregory Sherman, Scott P. Smith, Bernd Straehle, George Vargas, and Scot Wallington. [Click here](#) to see the 2007 King of the Mountains Final Results.
