Hello everyone,

Hey Bruno great pictures. Thanks for taking the time to take them. I shared them with some of my friends and told them my "tall tales".

I finished and got my Triple Crown in my first year of Ultra. You gotta love this stuff. The rides are tough but the people you meet are great. Not to mention, the bonds you develop when you accomplish something arduous with other riders is as they say... "priceless".

Dave Evans if you are out there. I DID IT!

How did everybody do at the DVD? I saw George well on his way to finishing it. It seemed like Barclay was also going to make it. I had to quit at mile 132 (Badwater) loosing my 1000 Mile Club and the Planet Ultra Grand Slam. I have posted some pictures from the ride at the following link:
